REMARKS

Applicants have proposed amending FIGS. 10c, 10d, 10e, 11b and 11c to change the typeface of the alert icon from an italicized --i-- to an "!" so that the figures will be consistent with counterpart foreign applications. No new matter is being added. Approval of the drawing correction is requested. In anticipation of approval of the drawing corrections the formal drawings for FIGS. 10c, 10d, 10e, 11b and 11c that are submitted herewith incorporate the correction.

In view of the foregoing, this application is in condition for allowance. An early and favorable action is requested.

Respectfully submitted,
